Track Trials #09-TT-778-S & #09-TT-779-S

**PDX #09-PDX-782-S**

***“Held under the SCCA Time Trials Rules”***

All participants are expected to adhere to the Supplemental Regulations and all appropriate sections of the SCCA Time Trials Rules as amended by these regulations.

**FORMAT:** The preliminary schedule anticipates two Track Trials groups, two Club Trials Group and two PDX groups. *Reno Region reserves the right to cancel the event, or revise the format, course configuration, run groups or schedule at anytime.*

**EVENT SCHEDULE:** Overnight camping allowed Fri, Sat & Sunday.

Sat & Sun 7:00am	Gates Open, Reg & Tech Insp.
Sat & Sun 8:30am	Mandatory Driver's Meeting
Sat & Sun 8:45am	PDX Novice Classroom
Sat & Sun 9:00am	First Cars On Track

The **Track Trials** and **Club Trials** Championships will consist of one practice, one qualifying and a timed race on Saturday and also Sunday for each group. Track Trials and Club Trials will use Course “F” for all sessions on both days. All cars within a group will be allowed on track for the length of the session. Qualifying times will be used to ‘set’ the grid each day and all cars within a group will start each race grouped in qualifying order. Passing will be allowed designated passing zones with a point-by. Drivers competing for the Division Club Trials or Track Trials Championship must enter for both days of the event. Drivers competing for CT or TT region points may enter one or both day and receive points for days entered.

A non-competitive, non timed Performance Driving Experience is included for drivers that do not wish to compete. The PDX can be entered either Saturday or Sunday or both days. The PDX is planned to run on Course “F” subject to final approval by the Chief Driving Instructor. The PDX drivers will be offered a minimum of four 20 minute on track sessions both days. Passing will be allowed in designated passing zones and with a point-by on driver's left only; and at the discretion of the Chief Driving Instructor.
